

# HOW TO CONNECT & PLAY

1. Turn on your device and/ or microphone(s).

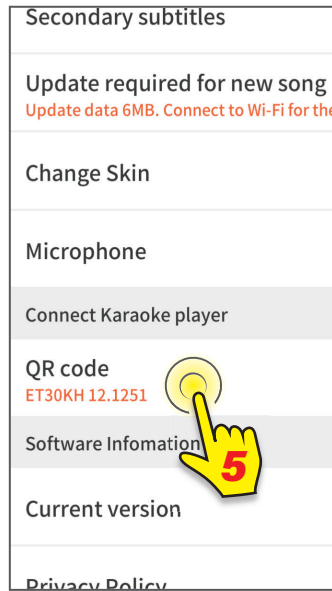

2. In configuration (≡), click "QR code" button to turn on.

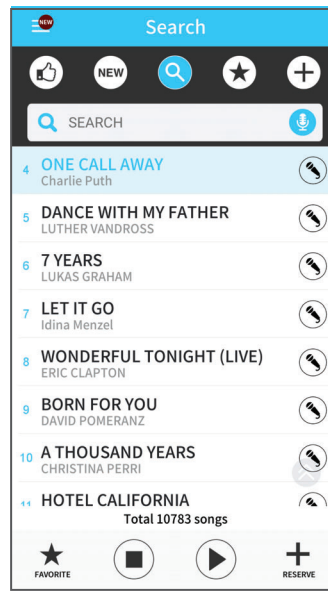

3. On your TV screen, please find the QR code at the bottom right.

4. Read 'How to use' and click 'Scan QR code' button.

5. Check if it is connected. If it is not connected, try step 3 again.

6. Once your device is connected, you will see button next to the song title. If it is disconnected, button will disappear.

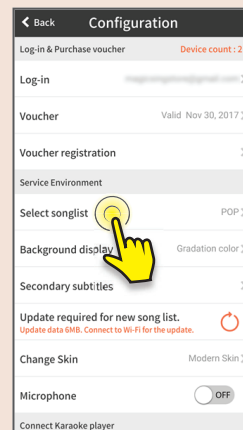

**For Android Phone**

Click title to play on your TV.

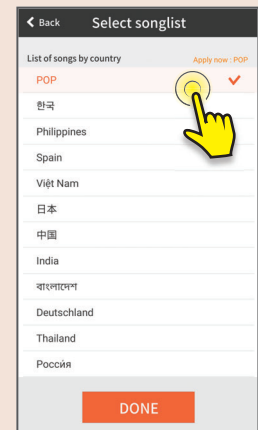

**For Apple iPhone**

Click button to play on your TV, or click title to play on your phone.

## CHOOSING SONG LIST

1. Click 'Select songlist'

2. Choose your song list
